

Exciting & Moving 4 days' camp with Japanese kids!!

★ **Camp Leaders Wanted!!** ★

Multi Lingual Piazza CELULAS★Youth Summer Camp 2019

★Sponsored by NPO Multilingual Piazza CELULAS

Why don't you participate in our 4 days summer camping program?

120 Japanese students from primary to high school will join this camp, and you will be a camp leader. This is not a camp for just staying in tents and climbing up and down mountains, but also not "a English camp", too.

This is the only, really unique & challenging camping program in Japan.

The theme of our camp is **Communication!**. The Japanese children will foster communication skills learning different languages and culture from you through the various interesting programs.

They will learn "The difference is something precious!" as well.

Have a wonderful and fruitful experience with Japanese kids this summer!

★12 Camp Leaders from foreign countries are wanted!

★We will give you an explanation and an interview beforehand as following.

-Kanto Area /June 16th(SUN) 10:00a.m. to 12:00p.m at Yoyogi (TOKYO)

-Kansai Area /June 16th(Sun) 2:30 p.m. to 4:30 p.m. at (close to OSAKA)

※We will inform you the details about the interview after we get your application.

★Please fill out the application form and send it through our site: <http://www.celulas.or.jp>
(to NPO Multilingual Piazza CELULAS, Tokyo office)

★Expiry date for application : -Kanto Area and Kansai Area: **June 13th (Thu)**

※Experience in the field of activity planning or activities with children, or Japanese language ability is not required. However we want our camp leaders to attend not only the preparation meetings for the camp but "piazza", our regular meetings which are held once a week in many places, at least several times before the camp.

※Preparation meetings:

We will have preparation meetings in Tokyo or Osaka before the camp. There your support for making programs and activities will be appreciated. Meeting schedule will be shared later.

What is "Multi Lingual Piazza CELULAS", the host organization of this camp?

-An open and flexible mind that tries to listen to others, and to speak in others' languages-

"CELULAS" was established as a Non Profit Organization in May, 2002, receiving the attestation of the Tokyo Metropolitan Government in order to cultivate the power of people to contribute the achievement of a multi-cultural and multilingual symbiosis society. We are doing various events and international exchanges, dedicated the raising the youth, and "symbiosis society" promotion based on multilingual activities.

Multilingual activities : Our members of all ages, from babies to adults, regularly get together at the meeting named "Piazza" . There we enjoy to multilingual story CDs through roll plays and also learn multi-culture.

★We are also carrying out some programs for the youth aiming at raising the youth to be human beings living on the same planet, where they can interact with people of different ages, cultures and languages.

Ex: "International understanding classes at primary and junior high school" "Overseas Homestay" etc.
