

アメリカ・高校留学レポート

4月号

Hello! This report is the 2nd to last... meaning I'll be back Japan soon. How exciting!!!!!! I'm pretty sad to leave my friends, host family, neighbor and this beautiful UTAH though. I only have 4 more weeks school. These 4 weeks mean a lot to me because I can still challenge something and have lots of memories here! I'm always being busy as band. We played music in grocery store, assembly and during lunch time. I'm sure I'll miss my Band Incredible Jazz band members a lot. Just because I love playing Saxophone with them and Jazz band is such a funniest class ever. I got Solo for last Band concert! Nothing fun more than playing my cool saxophone. I also went California as Music trip that was super exciting and busy schedule at all. The 1st day of trip, we went Disney Land and California Adventures! from 9am to 12am midnight!! That was way fun and crazy and I got so tired. The 2nd day we went beach, Universal city walk and Hollywood << I really We saw a show "Newsies" which was amazing, amazing, amazing! SO GOOD! The actors are awesome! Does anyone know "Newsies"? I have seen this movie in U.S. History class because it's about boys they sell newspapers in 1899. I really loved the show and had the best moment in this trip. I also saw the ☆ stars of famous actors. But I didn't know anyone of it. The 3rd day, we had music performances and went back Disney Land again. 3 days of trip was so busy and so much fun with my best friends!

4月は今まで一番あつという間だった月のような気がします。とりあふか17ホニ? は、もう何もかもがカッコよくてゴタ州から10時間以上のバスでした。ガリ帰りに新しい友達もできたり、あつ充実しました。いくら2時まで遊んで疲れてもバスはラボの1/3しか回れなかったです... (TT)

4月5日はイースターの日で100個以上の卵に色をつけてデザインして、Egg fightingを近所の友達としました。湯で卵なので思ったよりは安全で食べまじり、投げまじりました。でも卵投げまくるなんて... なんかもったいないと... 食べた方が... という思いで、私はいっぱいでした。(笑) 日本では、節分の豆まきのような感じでしょうか。。。？
とにかくJazz Bandで2つのソロをゲットしました!! 4月は本当に学校の提出物で終われちゃったです。
