Hello guys! How's it going?

I need to tell you one important thing. I have changed host family on March 3rd because of many reasons.

So, I should tell y'all the reasons but I don't wanna do that and it's kinda complicate.

So, I wish you just keep that in your mind.

My new adventure has started!!

Ohh I need to tell you all how my friends are great.

When they notice my sorrow, they call me at night and talked me about the problems.

When I was finding new host family, they asked their parents, and then tried to figure out problem.

Also, my baseball coach called my new host family who is hosted exchange students last year.

One moment which I never forget is when my all baseball friends gave me hags and said we are family,

so I don't need worry about anything.

It was moved my heart.

I have best friends and family. I can say that with confidence.

So finally, I can stay here!!

I'm going to explain about my new host family.

I live with Clay and Mary. Their son already left the home.

Clay was retired from his job but he started new job 2 weeks ago,

Mary works at federal government.

They like to ride on motorcycles.

I thought I won't like it but after I rode on it once, I loved it!

They have two dogs one is Bailey and the other is Izzy. Both of them are very big but they are still puppies.

Also, they have one more dog, her name is Maggie.

She is the neighbor's dog but they don't take care of her so she spends time with us and Clay or Mary feed her.

I love them so much!!

My friends take me to school and home every day. I'm so thankful to them!

I went to Austin, sushi bar, fishing, Korean food restaurant, and so on.

Finally, I got pair of boots, belt and jeans. I'm a real Texan now.

When I went fishing with my friends, we didn't catch any fish but a funny and unexpected thing happened.

My friend who drove us to go to fishing locked his key in the car. We were upset.

While waiting for help, we played at a playground lol.

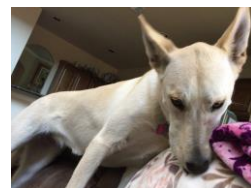

And then they took me to a restaurant which was their recommendation.

Susan who is my coordinator took me to the George W Bush President library.

I entered the room which is approximately same design as his presidential room.

I was so excited. Do I look like a President?

I feel fulfilled every single day. Thank you for reading my report!

お久しぶりです。

いきなりですが、3/3からホストファミリーが変わりました。

いろいろな事情があり、説明すべきだと思いますが、気持ち的な面でもあまり言う気分ではなく、とりあえずは報告だけさせていただきます。 ※ホストファミリー側の事情により、変更となりました。

自分は新しい旅立ち、new startだと思って、これからも変わることなく頑張るので、引き続き応援していただけたらうれしいです。

新しいホストファミリーは、Clay (host dad) , Mary (host mom) の2人です。

犬と猫を2匹ずつ飼っています。

犬は2匹ともでかいです。

猫はずっと隠れているので、2回くらいしか見たことはありません。

最初は犬がでかくて少し怖かったですけど、

今は可愛すぎて毎日家に帰ったら遊んでいます。

彼らはとてもバイクが好きで、後ろに乗せてもらいご飯を食べに行ったりします。

最初はバイクにあまりいいイメージがなく、

ただうるさいだけの、自転車の楽に移動できるバージョンだと思っていましたが、乗ってみるとはまってしまいました。

Now I'm a Texan, too!

Western boots と belt も買って、気分は Texan !!

ホストファミリーが二人とも働いているため、野球友達が朝、部活後、毎日送り迎えしてくれています。

本当に彼らにはいろんな場面で助けられ、感謝してもしきれないです。

今月はいろんなところに行きました。

日々、少しずつではありますが、自分の英語力、そして人間的にも成長していると思います。

また、アメリカで暮らして、自分の考え方や、性格も変わりました。

毎日が感謝感謝の気持ちと充実感でいっぱいです。

今日も一日頑張ります！

最後まで読んでくださった方、ありがとうございます。

See you at the next report!!
